

Opolo

2021 ROSÉ

CENTRAL COAST, CALIFORNIA

Opolo Vineyards has a long established reputation of growing and producing award winning wines in Paso Robles, California. With nearly 300 acres of vines on the east and west side of Paso Robles, Opolo Vineyards is privy to a wide range in climate, soil and growing potential—allowing an extensive range of varietals to flourish. This variety combined with the passion behind the brand has made Opolo a favorite of wine enthusiasts everywhere.

VINEYARD

The grapes for this wine are sourced from Opolo's estate vineyards in Paso Robles. Cooling breezes from the nearby Pacific Ocean contribute foggy mornings and lower summer temperatures, which produces exceptional, expressive fruit.

WINEMAKING

The grapes were handpicked early in the morning specifically for the Rosé program, low in sugar and high acidity. The Grenache spent 48 hours cold soaked with skin contact and the Syrah spent 8 hours with skin contact to produce this thoughtful, well-balanced summer blend.

WINEMAKER NOTES

Predominantly Grenache with a slash of Syrah and a hint of Viognier, our 2021 Rosé opens with passion fruit, orange, and guava. The mid palate is full of watermelon, strawberry, and candied blood orange, all lingering with the perfect amount of acidity.
