

Opolo

Job Title: 2023 Harvest Crew Member

Opolo Wines, LP is looking for some awesome, energetic people to join our crew for 2023 harvest. Working in the cellar, you will have the opportunity to be involved in all aspects of crush activities while learning from a highly motivated and dynamic production team! The work we do is challenging but rewarding. Our goal is to make the best wine possible and have fun while doing so!

Compensation: \$17 per hour and up dependent upon qualifications and experience.

Positions Available:

- Early Bird Morning Crew/ Tank Digger
 - Shift Start: 5am to 3:00 -5:00 pm
 - Primarily responsible for digging tanks in the morning.
 - Additional shift duties included below.
- Night Owl | Afternoon/Night Crew
 - Shift Start: 1:00 pm to 11:00pm – 1:00 am
 - Main duties include drains, processing, finishing press runs, sanitation and cleaning.
 - Additional shift duties included below.

Essential duties & responsibilities include, but are not limited to the following:

- Running crush equipment
- Barrel work
- Sorting fruit
- Cap management (pumpovers and punchdowns)
- Press operations
- Juice/wine transfers
- Additions and inoculations
- Brix/temp of fermenting tanks
- Assist with draining and pressing
- Equipment sanitization and cleaning
- Other harvest related duties as required

Qualifications

- Prior harvest experience is desired but not essential.
- Successful candidates will be highly motivated, detail driven individuals who possess an aptitude to work independently as well as part of a team.
- Candidates should have good communication skills, be reliable, punctual, prepared to work flexible hours including overtime, weekends, day shift, night shift, and holidays.
- Ability to lift weights up to 50lbs.
- Capable of working long hours and endure extended periods of time walking, standing, and climbing ladders.

Opolo

- All safety protocols must be adhered to while employed by Opolo Wines.
- Must have reliable means of transportation and a clean driving record.

Competitive salary commensurate with experience and qualifications. Please submit resumes to internship@opolo.com.
