VINEYARD

The grapes are sourced from our estate vineyards in Paso Robles. Cooling breezes from the nearby Pacific Ocean contribute foggy mornings and lower summer temperatures which produces exceptional, expressive fruit.

WINEMAKING

The grapes is handpicked at night to ensure that the fruit arrives at the winery very cold. The grapes are delicately destemmed and crushed ever so slightly in order to split the skin. The resulting must is cold soaked for 4 days before being warmed and fermented. After 20 days of fermentation the wine is gently pressed, settled and racked to barrel for 15 + months

WINEMAKER NOTES

San Luis Obispo's famous farmers market is lively on a summer evening, with aromas of fresh black cherries, strawberries, and red raspberries coming from the vendors' stalls. Walking further down Higuera Street you notice a line forming for the kettle corn booth with freshly roasted toffee served warm, and a leatherworker with unique worn leather items. Reaching the end of the market you can almost taste the toasted bread coming from a classic Santa Maria oak pit. Experience the bounty around you.
