THE GRAPEVINE

OPOLO VINEYARDS | SUMMER 2026 | PASO ROBLES, CALIFORNIA

CYCLE OF THE VINES

UNPRECEDENTED: that's the most accurate term for the 2026 growing season so far. The vines woke from their winter slumber about two weeks early, and the whole season has been running two to three weeks ahead of normal. This will be my fortieth harvest, all of them right here in Paso Robles, and as far as I know this is the earliest winegrape harvest on record for the Central Coast.

The weather has been wonderfully cooperative, with a warmer-than-normal winter, no spring frost, and no untimely rain. Crop yields are right where we want them, and the long-term forecast is clear of monsoonal storms or anything else that could affect our yields or wine quality.

So far, so good, and we are feeling optimistic that 2026 could be one of the best vintages in many years. My next Cycle of the Vines note will have a full recap, so stay tuned.

Cheers!

2025 ALBARIÑO - 100% ALBARIÑO | CENTRAL COAST

To create the 2025 Albariño we blended separate lots from Davenport Vineyard (89%) in the ultra-coastal Edna Valley and Castle Oak Vineyard (11%) in Paso Robles. The cool-climate Edna Valley fruit sets the tone with fresh acidity and crisp flavors, while the Paso Robles fruit weaves in warmer tropical tones. The resulting wine displays fragrant scents of pear, nectarine, citrus, and minerals. Fresh, stony textures unfold with vibrant flavors of peach, honeydew melon, and guava. Quenching acidity brings the wine to a bright, snappy finish. A perfect match for lime chicken tacos, tapas, baked cod, and oysters.

Drink now extra chilled or cellar 2-3 years.

This wine comes predominantly from our estate To The Moon Vineyard, with a small contribution from our adjacent Quinn West Vineyard. The aroma profile is stacked with black plum, dried red currant, olive, and graphite. Rich and layered, it offers flavors of soft blue fruits, blackberry, cherry, tobacco, and tea leaf with finishing hints of caramel, and toasted oak. Aerate this wine in its youth and enjoy it with celebratory meals.

2023 GRAND ROUGE - 56% GRENACHE, 24% SYRAH, 20% COUNOISE | PASO ROBLES, CA

Grand Rouge is our twist on the traditional “GSM” style, using Cunoise as a differentiator to create a compelling blend. True to form, the 2023 Grand Rouge is composed of Grenache (56%), Syrah (24%) and Cunoise (20%). It opens with complex aromas of rose petal, plum, strawberry jam, eucalyptus, and toasted oak. The palate is juicy and expansive with flavors of cherry, blackberry, herbs, and light barrel spices, all finishing with delicate tannins and fine length. A stellar vintage that is evocative of a classic Côtes du Rhône. Enjoy this wine with lamb shanks, beef bourguignon, and cheeseburgers.

A velvety mouthfeel brings flavors of olallieberry, black plum, cola, coffee, and dark chocolate with earthy undercurrents. Fresh acidity lends a flourish to the deep, lingering finish. Aromas of lavender, brambleberry, and strawberry reveal hints of rustic herbal spices. The palate is fresh and energetic, driving forward with juicy flavors of cherry, blueberry, cola, leather, and toasted oak. Elegant tension carries into a focused finish. A made-for-food wine that pairs beautifully with rack of lamb, pork tenderloin, and beef stew.
